

JACKSON

COUNTY, KANSAS

PLANNING COMMISSION

400 NEW YORK, ROOM 104

HOLTON, KS 66436

Thursday, September 25th 6:00pm – 9:00pm

Thursday, October 2nd 6:00pm – 9:00pm

Solar Public Meeting Guidelines

This meeting is to listen to public feedback on the solar regulation draft. The Planning Commission may not comment but will take all comments into consideration. To help facilitate an orderly and efficient meeting, public comments will be subject to the following guidelines:

1. People who submitted or submit Solar Feedback Forms prior to September 16 and September 23 will be called on alphabetically to speak if the person chooses.
2. People who sign in at the public meeting who have not submitted a Solar Feedback Form will be called to speak after the people who have submitted the forms. These people will be called on in order of the sign-in sheet.
3. Each speaker will be limited to three (3) minutes of speaking time. The speaker should not pose questions to the Planning Commission or attempt to argue with another speaker.
4. Speakers shall not donate unused time to other speakers. Speakers should try not to repeat the statements of others in full or rely upon written statements if they have already been presented to ensure that all members of the community have time to speak.
5. All comments must address the proposed solar regulations by specific section.
6. If time permits, the Planning Commission may allow the speakers to loop back in speaking order to add additional feedback, however the Planning Commission reserves the right to maintain individual time limits and a total time limit on the public hearing portion of the meeting.
7. The Planning Commission reserves the right to mute and/or remove any speaker whose comments are in violation of the guidelines, threatening, aggressive, disruptive or hostile.
